

Ninety-Seventh Legislature - First Session - 2001
Introducer's Statement of Intent
LB 105

Chairperson: Senator David M. Landis
Committee: Banking, Commerce and Insurance
Date of Hearing: January 22, 2001

The following constitutes the reasons for this bill and the purposes which are sought to be accomplished thereby:

LB 105 would outright repeal §30-238, which currently requires that a duly certified copy and the probate thereof of every will be recorded in the register of deeds office. Recording a will gives almost no information concerning ownership of the property.

The bill would also amend §30-24,105 to require that the deed of distribution include the name of the court in which the probate proceedings are conducted.

This approach should provide all of the notice necessary and eliminate the need to file any additional certificate or Will. The result would be to reduce expenses for the estate and to avoid unnecessary paperwork.
